## A message from our Principal

Thanks to everyone for your continued support of all our efforts here at OLOC. We are always looking for ways to grow and improve and we can only do that in partnership with parents and guardians. If you have questions about school life or would like to be more involved, please don't hesitate to call me directly at the school.

-- Mr. C. Ivany

## What's new this week?

- Many of our students have been out sick lately. If your child is sick, please keep him/her home until s/he is better. We are able to work with you and your child to catch-up on any missed material but this will mean using Homework Haven and extra homework -- we are looking for your support to encourage this catch-up work so that your child doesn't miss any curriculum.
- We will be going ahead with another hot lunch fundraiser on Friday, January 30.
- Jr. High students are invited to attend an event at Piccadilly High on February 6th. A permission form is going home today -- please return this by Monday!

## Spirit Teams!

			
O R A N G E	P U R P L E	G R E E N	B L U E

All students have been organized into house teams. Individuals can win points for their team by participating in spirit activities throughout each month. The team with the most points at the end of the month gets a reward. Also, our School Wellness Action Team (made up of Jr. High Students) runs team sports games on Fridays. It's Purple's turn this week! Keep watching for activities that parents and guardians can join in to have some fun and help their child's team gain points!
