A message from our Principal

Happy New Year! Many changes have occurred during 2014 and there are many more to come! We've improved our communication strategies and are constantly working to enhance the teaching and learning at our school. I look forward to the challenges that the rest of the school year will bring!

-- Mr. C. Ivany

What's new this week?

- Attendance is *essential*. Starting Monday, January 12th, a daily Synervoice message will be sent home when students are absent. This is a basic policy that most schools in the NLESD have adopted.
- A participation letter for Gymnastics has gone home this week. Please return these ASAP!
- After school programs begin again starting Monday!
- We are looking for donations to help in our hot-dog day fundraiser. Hot dog buns and/or wieners will do!
- Our school council will soon be receiving training from Cheryl Donovan-White from the Department of Education!
- Please make sure your child is dressed appropriately for the weather. Many kids are arriving at school without winter jackets!

Augemented Reality!

You'll see this logo all around OLOC these days. This indicates that there is digital content waiting for you to be viewed through your mobile device. Download the Aurasma app (available on Apple and Android) and follow us at OLOC-School! Try it by pointing your device here!

Weather Closures

We will continue to do our very best to keep you informed of any important announcements, especially weather closures. You can follow us on Facebook, and Twitter; we send Synervoice messages through the phone system; the radio stations are called; and our status is always posted on the NLESD site.

'Tis the Season...

... for SNOW STORMS!
There are times when we may need to close school for only part of the day (AM or PM). Attendance is *essential* to a good education. When school is closed in the AM and opens for the PM, **classes go ahead**. Students are required to attend classes -- many of our PM classes only happen a couple times per week... missing a class may put your child behind in work.

NOTICE:
New Absentee
message policy in
effect on Monday!
