A message from our Principal

Well, it's the end of November and a full ¼ of our school year has passed. It was great to see so many parents at our Parent-Teacher Conferences -- we always look forward to being able to discuss your child's progress with you.

-- Mr. C. Ivany

What's new this week?

- ISSP and IEP Meetings have now been scheduled for December.
- A special thank you to Shauna Simon for donating two tablets to our schools special needs program! Shauna is one of our regular volunteers and a member of our School Council.
- There are two community member spaces available on our School Council. Nominations may be made through our school website or in writing and sent to the school.
- Our School Christmas Concert will take place on December 15th. This will include a bake sale and some great entertainment. We have also partnered with the Town of Cape St. George again this year to include the lighting of the Community Christmas Tree as part of our celebrations!
- December Calendar will be going home on Monday, December 1st.
