A message from our Principal

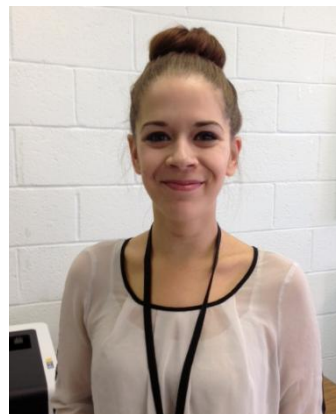

Welcome back to all our returning students and a *very* special welcome to our new additions! I am very pleased to return to OLOC as principal. Already, we are off to a fantastic start here at school; teachers and students have fallen into productive routines so we can make the most of the learning time we have together. I look forward to being able to keep you informed about all of the amazing things we do throughout the year.

-- Mr. C. Ivany
