Weekly Newsletter: *Week 1 -- All done!*

A message from our Principal

Well, we have arrived at the end of the first full week of school and it feels like the summer never even happened! I walk through the halls and visit classrooms and I see plenty of smiling faces -- looks like the first week has been a good one! Here's to making the next ten months together just as enjoyable!

-- Mr. C. Ivany

What's new this week?

- We had our first Fire Drill on Wednesday; it took only 1min and 16sec to evacuate the entire building!
- Consent forms were sent home last week. If you did not receive them or if you have not yet returned them to school, please give us a call or send them along ASAP!
- Co-Curricular activities will begin soon. Softball, Cross-Country Running, Chess Club and Drama Club will be available for students.
- Help your child become responsible and stay in touch with teachers (this is a great way to send notes) -- **check agendas daily!**
- September Calendar is on the back of this paper AND online on our website (along with our newsletter and much, much more!).
- Curriculum Orientation for Parents/Guardians is set for **Sept. 24th at 3:30pm!**

Preschool at OLOC

We are working with the Community Action Committee Family Resource Program to arrange a preschool service that will hopefully start in October. We will have 6 openings for preschool children 3+ years old to work with a certified Early Childhood Educator. Spread the word and keep your eyes open for updates on this great initiative!
