A message from our Principal

The first month of school is drawing to a close and we have continued to build our school community through partnerships with outside agencies and capitalizing on the new technologies available to us. We are excited about the great things on the horizon for OLOC!

-- Mr. C. Ivany

What's new this week?

- A HUGE Thank-You to the French Centre for cancelling the bingo on October 9th so we can host our annual Turkey Bingo! 7pm at the OLOC Gym!
- Mr. Burt is sending home two separate permission slips (5-8 Extravaganza and 3-8 Cross Country Running). Please make sure these are signed and returned as soon as possible!
- While we had a small group of parents/guardians on site for our Curriculum Orientation on September 24th, it was a great evening with a lot of information about what we do here at OLOC from teaching and learning to supporting our positive behaviours in school! Thanks to those who were able to come out and join us!
- Please call or email the school if you have any questions or concerns!

Dance Fever!

Ms. Tracy Lucas, BNRN is our Public Health Nurse and provides the school with much needed medical support. She also supports our active living initiative by volunteering during her morning break on Wednesdays to lead the school as a certified ZUMBA Instructor! Thanks Ms. Lucas!!!

Remembrance Request

Please note: in early preparation for our Remembrance Day Ceremony, please send along a small flashlight or glowstick for your child. This will be used for a school-wide choir performance.

SPECIAL TOPIC

- Recycling Transport
- Kids Eat Smart Program
- School Council
- Extra Curricular Activities

TURKEY BINGO!

7 PM October 9th at the OLOC Gym!

Prizes, Canteen, 50/50 Door Prize Draw.

Come out and join in the fun at this great annual fundraiser!
